In 2019, we also celebrated the 40th anniversary of operating holidays to the Channel Islands.

Many of our team have been with us for over 10 years and that means that we have the experience and knowledge to help you make the most of your holiday.

We hope that you'll find the destinations and choices in the following pages will inspire you to take the next step and give us a call, so that we can help you to turn your holiday dream into a reality.

# WHY CHOOSE PREMIER HOLIDAYS?

## THE PERSONAL TOUCH

Premier is not your average travel company! We are extremely proud of our longevity, our independence, our strong family values, our reputation and, most importantly, our fabulous long-serving experienced staff – a combination, which has made us the well-respected, trustworthy, knowledgeable and reliable travel company that we are today. We believe that holidays bring people together, deliver new experiences and create wonderful memories that last a lifetime – we love to be a part of this! We care about your holiday as though it were our own, because although it's our business we know it's your dream.

## SHORT BREAKS

If time doesn't allow for a week long holiday, why not consider a short break? All of our islands are just a short flight or ferry ride away so less time is spent travelling and more set aside to explore and relax. Escape as a couple for a romantic weekend; take the family for a day or two beside the sea; or travel with friends for some shopping, fantastic food or to simply recharge your batteries.

## PLANNING YOUR STAY

Most British Isles hotel accommodation carries an official grading awarded by an independent authority. Most awards are made under the Visit Britain scheme, although some properties opt to be graded by the AA. However, the grading criteria are very similar, so the grades are comparable. Properties are inspected annually and must comply with local regulations as well as meeting set grading criteria. Accommodation is broadly divided into three categories:

**HOTEL** - usually offering a wider range of facilities and services.

**GUEST HOUSES** - Often family run - possibly only offering bed and breakfast, where quality is more important than facilities and services.

**SELF-CATERING** - ideal for families or friends travelling together seeking more space and flexibility.

Accommodation, within each category, is awarded a star grade, but be aware that even where the number of stars is the same the actual standards will differ as the grading criteria vary according to the accommodation category.

In Jersey only, some properties are awarded "RED" stars, which indicate a superior accommodation within the grade and category. The designator "Metro" is assigned to hotels which do not provide formal dining every night of the week, although they may still offer snacks or bar meals.

Hamptonne Country Life Museum, Jersey

# HERITAGE

The islands that dot the British coastline have a unique and varied heritage and are packed with fascinating landmarks including ancient castles, informative museums and stately homes which bring the past to life.

## CULTURAL HERITAGE

The heritage of our islands is unique and varied, with some moulded over time by occupying forces, languages and local customs, while others have a heritage strongly linked to the traditional pastimes of farming and fishing.

## NATURAL HERITAGE

Incredible coastlines feature secluded beaches, huge cliffs, coves and caves, while inland are an abundance of beauty spots. The Isle of Wight is a great place for dinosaur and fossil discovery, with an almost complete skeleton discovered as recently as 2013.

## WARTIME HISTORY

The Channel Islands were the only part of the British Isles to be occupied by Nazi forces during World War II. The Jersey War Tunnels or Guernsey's German Military Underground Hospital and Occupation Museum are evocative reminders of this turbulent time in the islands' past. On the 9th May each year, the Channel Islands celebrate Liberation Day with a variety of events, parades and entertainment.

Orkney played a pivotal role in both World Wars, with Scapa Flow at the heart of the action. The astonishing diversity of wrecks, with their fascinating stories, make it a must for those interested in maritime history.

Candie Gardens, Guernsey

## MUSEUMS & GALLERIES

Britain's islands feature a variety of rural and hands-on museums, including The Jersey Museum, Art Gallery and Merchant's House which tells the story of Jersey from neolithic times to the modern day, while Hamptonne Country Life Museum showcases six centuries of Jersey's rural life. Guernsey Museum at Candie Gardens houses a permanent exhibition of Guernsey with an art gallery running alongside.

The Manx Museum in Douglas on the Isle of Man is bursting with artefacts and treasures unique to the island. While in nearby Peel, the House of Manannan is the perfect place to gain an insight to the island's rich Viking, Celtic and maritime past. The Shetland Museum and Archives, which is set on Lerwick's waterfront within a restored 19th century dock, tells the absorbing story of Shetland's heritage and culture.

## ABBEYS & CHURCHES

Not to be missed is Little Chapel on Guernsey, which is modelled on the shrine at Lourdes and is quirkily decorated in shells and pottery. On the Isle of Man, Rushen Abbey offers an insight into life through the ages dating back to 1180, while on the Isles of Scilly, Tresco Abbey Garden has the remains of a Benedictine Abbey founded in 964AD. In Orkney, 12th century St Magnus Cathedral dominates Kirkwall's skyline.

## LIBERATION 75

On the Isle of Wight there are several manor houses to visit as well as Osborne House, once the holiday residence of Queen Victoria and Prince Albert.

## CASTLES & MONUMENTS

Where better to get your history fix than at some of Britain's finest coastal castles, where the creaking walls are crammed with past relics.

Elizabeth Castle, which sits on a rocky islet in Jersey's St Aubin's Bay, has defended the island for more than 300 years; Mont Orgueil in Gorey protected Jersey for over 600 years against French invasion and brings history to life with a network of staircases, towers and secret rooms; while Guernsey's ancient royal fortress, Castle Cornet, has stood guard over the town and harbour of St Peter Port for eight centuries.

Castle Rushen, on the Isle of Man, is one of Europe's best preserved castles; while at Peel Castle you can follow in the footsteps of Christian missionaries and Viking warriors.

Isle of Wight fortifications include Carisbrooke Castle which dates from Norman times, while Yarmouth Castle, the Needles Old Battery and Fort Victoria will appeal to military historians.

On Shetland, the Jarlshof Prehistoric and Norse settlements are one of the most important and inspirational archaeological sites in Scotland.

# JERSEY

*At just 45 square miles, Jersey may be small, but is definitely big on personality. Packed full of activities to experience and explore; bursting with unique food, people and places; jam-packed with gorgeous beaches and a laid-back holiday vibe; oh and not forgetting one of the best sunshine records in the British Isles. It's somewhere that can't be pigeon-holed as a single experience - it's not a city break, or a country break, or a beach break - it is all these things and more.*

## WHY VISIT JERSEY?

- ~ Miles of beautiful beaches and bays ~
- ~ Lots of places to go and things to see ~
- ~ Festivals and events throughout the year ~
- ~ Activities galore - above and below the waves ~
- ~ French and British influences ~
- ~ Perfect for weekends away or longer stays ~
- ~ Amazing food simply bursting with flavour ~

Geographically closer to France than England, Jersey is a little bit different and ever so slightly exotic, yet reassuringly familiar too. It's British pounds and French place names, cream teas and croissants, Breton-style seafood and good ol' fish and chips.

Full of natural beauty the breathtaking coastline ranges from rugged cliffs in the north to the Atlantic rollers of the windy west and long swathes of golden sand in the south. Inland is equally scenic, with flower-filled meadows, undulating farmland and leafy hidden valleys all linked by tranquil country lanes.

The capital is St Helier and, whilst small, it is a buzzing cosmopolitan harbour town and the main hub for the island's shopping, eating, entertainment and nightlife.

Jersey is also crammed with award-winning attractions and places to visit. Uncover the island's past at magnificent castles, emotive war tunnels and hands-on museums that really bring history to life. If that's not enough, there are fascinating wildlife and adventure parks, quaint fishing villages, beautiful private gardens, luxury spas and not forgetting a tantalising array of outdoor pursuits for all ages and abilities.

Getting around is easy. For maximum flexibility, we recommend hiring a car to seek out hidden beaches, explore the glorious coastline and find some off-the-beaten-track places. Alternatively, an extensive island-wide bus network gives easy access to all the main places of interest. Jersey is also an exceedingly friendly walking and cycling island with a maze of cycle paths, walks and 45 miles of 'Green Lanes', which meander through the various parishes.

Famous for food, Jersey's reputation as a foodie island is growing and embraces everything from Michelin-starred restaurants, chic bistros and gastropubs to farm stalls, village delis and beach cafes. Just be sure to bring a healthy appetite!

## WHAT TO SEE

**St Helier:** Jersey's capital has sophisticated shops, a varied nightlife and mouth-watering selection of restaurants, along with a leisurely pace of life.

**Waterfront Centre:** Offering a marina, multi-screen cinema, swimming pool with slides and a fun pool making it a great place to take the family.

**Jersey Museum, Art Gallery & Merchant's House:** Located by the Weighbridge, the "Story of Jersey" exhibition is an ideal introduction to the island.

# GUERNSEY

*Moored just off the Normandy coast, Guernsey is the second largest of the Channel Islands and is perfectly positioned to offer a short journey from home with the feel of a holiday abroad. Whether meeting the friendly locals, exploring the history and heritage, relaxing on sandy beaches, island hopping or simply reinvigorating amidst glorious surroundings, it's a place to do everything, or do nothing - the choice is yours!*

Fort Grey

## WHY VISIT GUERNSEY?

- ~ A choice of 27 glorious beaches ~
- ~ Bucket loads of history and heritage ~
- ~ Diverse outdoor activities for all ages ~
- ~ Festivals and family-fun whatever the season ~
- ~ Island hopping to Alderney, Sark & Herm ~
- ~ Perfect for weekends away or longer stays ~
- ~ Outstanding culinary scene ~

Guernsey is spoilt for choice where beaches are concerned. From the sandy, pebbly coves and bays of the east and south coasts, to the lush open west coast and wide expanses of white sand of the north, an enticing beach is never more than four minutes away by car, no matter where you are on the island.

By far the best way to explore is to step out and strike your own route around the island. There are plenty of walking routes to choose from, whether it's along the meandering cliff paths or along the winding Ruettes Tranquilles, a series of narrow lanes which lead you off-the-beaten-track through the countryside. This network of quiet roads is also perfect for cycling.

Guernsey's great outdoors also calls adventurous souls who can kayak through crystal clear waters, dip in and out of ancient caves, go paddleboarding or surfing, wild swimming or coasteering.

If culture, history and heritage are more your cup of tea, Guernsey has a castle dating back some 800 years, fascinating museums, a tiny version of Lourdes, ancient burial mounds, award-winning gardens and a stately manor house to check out.

St Peter Port, the island's charming capital, is considered one of Europe's prettiest harbour towns. With its cobbled streets, picturesque marina and vibrant squares brimming with cafes and quaint boutiques, it is easy to see why.

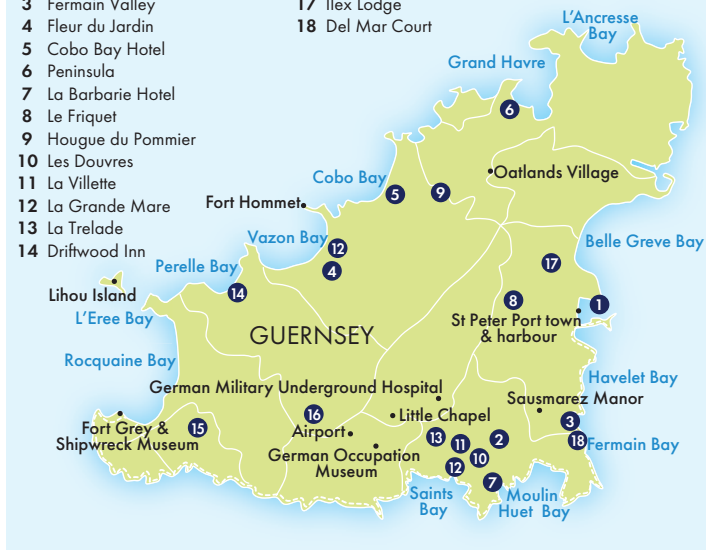

Islanders are passionate about their food and this is reflected in the culinary scene, so be sure to pack your appetite and indulge. From chic dining in hip restaurants and good value pub grub, an indulgent afternoon or fish and chips with your toes in the sand, every dining experience offers fabulously fresh ingredients and a tantalising choice.

It's also well worth taking the time to explore the sister islands of Alderney, Sark and Herm. Each has a unique charm of its own and just a short hop from Guernsey. See pages 74-77.

## WHAT TO SEE

**St Peter Port:** Historic St Peter Port nestles against a hillside sweeping down to one of the world's most beautiful harbours. Fine Georgian façades line the quaint, cobbled High Street and adjacent pedestrianised streets draw you in.

**Castle Cornet:** An 800 year old castle with museums charting maritime and military history. Visit at midday to see the firing of the Noon Day Gun.

**Candie Gardens:** This rare example of a late 19th century public flower garden has one of the British Isles' oldest known heated glass-houses.

**Guernsey Museum and Art Gallery:** Discover historical treasures from the island's rich history.

**Hauteville House:** The eclectic home of 'Les Miserables' author, Victor Hugo, during his 15 year exile in Guernsey.

**Little Chapel:** A labour of love, this tiny version of Lourdes is decorated in shells and pottery and is possibly the smallest church in the world.

### German Military Underground Hospital & German Occupation Museum

The hospital building has altered little since the end of World War II and is a very moving experience, whilst the museum has the best preserved collection of memorabilia from the Nazi occupation of WW2.

**Oatlands Village:** Brings together local crafts, eateries and attractions for all the family.

**Sausmarez Manor:** The Sausmarez family home for around 800 years, it's a time capsule of their history. House tours are available seasonally while the grounds boast a subtropical garden, sculpture park, pitch and putt golf and a miniature railway.

**Fort Grey & Shipwreck Museum:** Known locally as the 'cup and saucer' Fort Grey is a Martello Tower, built in 1804 to defend the west coast. Many vessels have come to grief on this treacherous coast and the tower now houses the Shipwreck Museum.

# ISLAND HOPPING

- ~ Twin Jersey and Guernsey ~ Step back in time with a visit to Sark and Herm ~
- ~ Go wild for Alderney's wildlife ~ Inter-island ferries & flights available ~
- ~ Beautiful natural landscapes & gorgeous beaches ~

Why limit yourself to a holiday on one Channel Island, when it's so simple to explore more!

Over the next three pages we've shown a selection of suggested itineraries which highlight just how easy it is to hop between the different islands, together with prices for a single centre stay on these charming smaller islands.

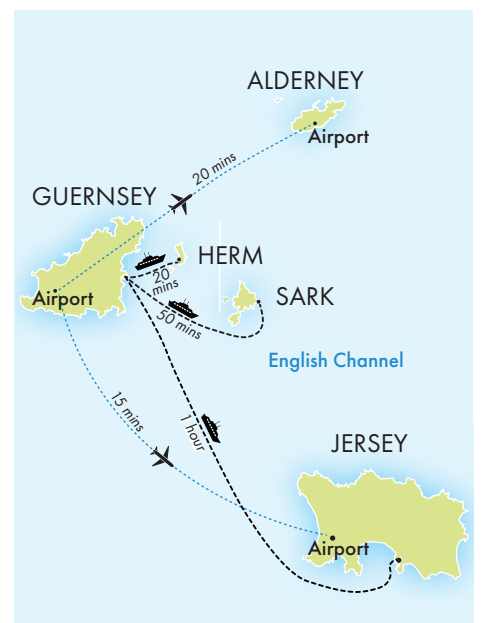

Our Jersey and Guernsey Explorer tour is a wonderful introduction to the two largest Channel Islands, while the Guernsey, Sark and Herm Explorer tour makes the most of the inter-island ferry services from Guernsey to its charming sister islands.

Of course, these are just suggestions and alternative combinations are available.

With cars prohibited on Sark, cycling, walking or horse-drawn carriages are the preferred mode of transport for exploring the unspoilt landscape and spectacular scenery. Sark has also achieved Dark Sky Status and, on a clear night, the sky becomes a magical ceiling of twinkling stars.

Soak up quintessential island life on the paradise island of Herm. Where better to relax on glorious beaches, step out along scenic coastal paths and swim or kayak in crystal-clear waters.

Compact Alderney is just a short flight from Guernsey and is a paradise for nature lovers, with a mix of beautiful landscapes and abundant wildlife. If you prefer the idea of an away-from-it-all stay on Alderney alone, direct flights are available from Southampton.

### Getting between the islands

Jersey is a 15 minute flight or one hour sea crossing to Guernsey.

The ferry from Guernsey to Sark takes approximately 50 minutes while the ferry from Guernsey to Herm is just 20 minutes.

Guernsey to Alderney is just 20 minutes by air.

# ISLES OF SCILLY

- ~ Outstandingly beautiful ~ Uncrowded and sunspoilt ~ Gentle pace of life ~
- ~ Great for island hopping ~ Fun on and in the water ~ Food, glorious food ~

There are few better places to escape than the gorgeous Isles of Scilly which float just off the Cornish coast. Yes, this archipelago may be a hop, skip and a jump from the UK mainland, but it is a world apart.

With only five inhabited islands, the remaining 140 or so more are home to wildlife and seabirds. Some are popular day tripper haunts, while others rarely see a human footprint.

St Mary's is the largest island and usually the first port of call for tourists. Hugh Town is its central hub and has a cluster of shops, cafes, restaurants and pubs as well as a museum and three nearby beaches - Porthcressa, Town Beach and Porthmellon. Old Town is the other "major" settlement on St Mary's with a noteworthy beach and nature reserve.

Subtropical Tresco has a little bit of everything - from dramatic rocky outcrops, Bronze Age burial sites and romantic castle ruins, to secluded sandy beaches and world-famous Abbey Garden.

Beach lovers should castaway to St Martin's. Just two miles long, it has some of the finest stretches of sands in the British Isles, if not the world.

St Agnes, Britain's most south-westerly outpost, is totally untamed and thoroughly unspoilt. Strewn with paradise beaches and Bronze Age burial sites, it's also joined to its closest neighbour, Gugh by a sand bar at low tide.

Bryher is the smallest of the inhabited islands and serves up a wonderful sense of freedom, whether you're exploring rocky coves, lazing on white sandy beaches or hiking up one of its small granite hills for far-reaching views.

From shipwrecks to treasure and from burial chambers to deserted villages, the Isles of Scilly have ample history to embrace. Watersport enthusiasts can hire a kayak, SUP or boat and experience close-up Scilly's amazing aquatic environment, while landlubbers can comb the seashore, stroll the coastal paths, hire a bike, or simply watch the seabirds swoop and the seals play in the surf.

Tantalise your tastebuds with local lobster, crab or tender islander beef, tuck into a handmade ice cream, sink a locally brewed ale and enjoy a sundowner of St Agnes gin or Scilly wine.

Above all, do as much or as little as you like in a breathtaking setting.

# ISLE OF WIGHT

~ Beaches to suit everyone ~ Lots of attractions and places to visit ~ Dinosaur fossils ~  
 ~ Stunning coastline ~ Picturesque villages ~ Foodie capital of the south coast ~

Measuring just 23 miles by 13 with over half designated an Area of Outstanding Beauty, the Isle of Wight is easy to get to and a wonderful year-round destination.

Charming seaside resorts include Sandown which shelters in a beautiful bay and has long stretches of golden sandy beach, a traditional British seafront and pier. Popular Shanklin's enticements range from the long wide sandy beach to the wooded ravine which is Shanklin Chine and the Old Village with its independent shops, restaurants and pubs. Ventnor's sand and shingle beach, which is lined by huts converted from Victorian "bathing machines", is ideal for sunbathing and family swimming. Ryde tempts with a long expanse of sandy beaches along with boutique shops, museums and galleries. Bembridge boasts three beaches, a harbour and in 2019, won "Village of the Year" in the BBC Countryfile Magazine Awards.

Possibly the island's most notable landmark is The Needles and a ride on the chairlift between the beach and sand cliffs is spectacular. Family-friendly attractions include Blackgang Chine Theme Park, Tapnell Farm Park, Monkey Haven and Robin Hill Country Park to name a few. History and heritage can be uncovered at castles and monuments, ancient burial grounds and Osborne House, the holiday residence of Queen Victoria and Prince Albert.

The island is also one of Europe's finest sites for dinosaur remains and enthusiasts can explore the Dinosaur Isle Museum, join an organised fossil hunt, visit Brook Beach where you may even dig up your own stegosaurus or T-Rex.

If you have the nautical know-how, the Isle of Wight is one of the best places to sail, with Cowes being the island's maritime gateway. Kayaking, surfing, bodyboarding and coasteering may also appeal, while on dry land options include cycling, golf, horse riding and over 500 miles of footpaths.

The Isle of Wight is fast becoming the foodie capital of the south coast and as soon as you step off the ferry you'll find yourself spoiled for choice with an abundance of tea rooms, country pubs, quality restaurants and beachside cafes.

# ISLE OF MAN

~ Outstanding natural landscapes ~ Home of the TT ~ Over 10,000 years of history ~  
 ~ A treat for nature lovers ~ Fun-filled outdoor pursuits ~ Tasty foodie treats ~

This sea-bound kingdom is a place of rich history and tradition where you will hear stories of giants and fairies, be captivated by ancient Viking ruins, ride an impressive network of heritage railways and always receive the warmest of welcomes.

The island's capital, Douglas, is the main hub for shopping and entertainment as well as the beginning of the Story of Mann trail which acts as your guide to the island's heritage attractions. Horse-drawn trams "clip clop" along the two miles of Douglas Promenade and the town is also the starting point of the Steam Railway and Manx Electric Railway, which lead south and north respectively.

Around the island, Castletown has one of Europe's best-preserved medieval castles - Castle Rushen; Laxey is where you can glimpse the

world's largest working waterwheel - Lady Isabella; Peel and Port Erin have glorious sandy beaches and sheltered bays; and Ramsey boasts an impressive working harbour.

Come rain or shine the island is a playground for outdoor adventure. Take to the emerald waters aboard a kayak or stand-up paddleboard, get your pulse racing with coasteering or a thrilling trike tour, try a spot of golf or, slow the pace and marvel at majestic landscapes along coastal paths, country lanes and within 18 National Glens.

Food and drink are vital ingredients of any holiday and the island's wide variety of eateries tempt with handpicked vegetables, home-reared Loaghtan lamb, freshly caught queenies, lip-smackingly good ice cream and so much more.

# SHETLAND & ORKNEY ISLANDS

~ Incredible landscapes ~ Natural wonders ~ Amazing wildlife ~ Viking heritage ~  
 ~ Distinctive culture ~ Fascinating geological sites ~ Northern Lights ~

Stretching off Scotland's north coast are Shetland and Orkney, two very special archipelagos where Scotland meets Scandinavia.

Recently hailed as one of Lonely Planet's Best in Europe for 2019, the ruggedly handsome Shetland Islands comprise around 100 different islands with just 15 inhabited.

On Mainland the capital, Lerwick, has a good range of shops, restaurants and pubs as well as the outstanding Shetland Museum and Archives and a thriving music scene. In nearby Scalloway an excellent museum tells the story of the top-secret WWII Shetland Bus operation.

Further south on Mainland is Sumburgh Head, an ideal spot for twitchers with unobstructed views of the seabird colonies; Old Scatness, a recently excavated Iron Age village; and the Jarlshof Prehistoric and Norse settlements, with archaeological treasures from over 4,000 years. Half way between Orkney and Shetland is Fair Isle, a jewel of an island owned by the National Trust for Scotland and famous for its birds, knitwear and historic shipwrecks. Other Shetland highlights include Unst, boasting a plethora of fabulous walks and golden beaches; Foula, designated as a Special Protection Area for birds; Fetlar, known as the Garden of Shetland while beguiling Whalsay inspired some of Hugh MacDiarmid's poetry.

Enchanting Orkney is a smorgasbord of must-see sites and cultural attractions scattered across 70 islands.

On Mainland, is the capital Kirkwall whose sights include St Magnus Cathedral, the Bishop's and Earl's palaces and the Orkney Museum. The nearby seaport of Stromness is famed for the Pier Arts Centre which showcases the work of artists and sculptors from Orkney and beyond.

In West Mainland, don't miss the hauntingly beautiful Heart of Neolithic Orkney UNESCO World Heritage Site. This area of great archaeological significance includes Skara Brae, Europe's best-preserved Stone Age village; the Ring of Brodgar; the Stones of Stenness and the Maeshowe chambered tomb.

Other notable islands include Hoy for the dramatic Old Man of Hoy sea stack and Scapa Flow Visitor Centre and Museum; the Brough of Birsay with its Norse ruins; Rousay for over 100 archaeological sites; and North Ronaldsay which has a unique heritage and history.

Both Shetland and Orkney offer a good chance of spotting the Northern Lights, particularly in autumn and winter. You will also find no end of delicious local produce to tempt you and a busy programme of annual festivals.

The balance of the price of your travel arrangements must be paid at least 10 weeks before your departure date. Occasionally, for certain types of bookings, the balance may become due earlier than this. If this is the case, you will be advised of this at the time of booking. If the deposit and/or balance is not paid in time, we shall cancel your travel arrangements. If the balance is not paid in time we shall retain your deposit.

### 4. If you cancel your holiday

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay cancellation charges as follows (see also the exception below):

Period before departure in which you notify us	Cancellation charge (excluding insurance)
71 days or more	Deposit only
70 – 57 days	50% of holiday cost or deposit if greater
56 – 43 days	75% of holiday cost or deposit if greater
42 – 29 days	85% of holiday cost or deposit if greater
28 – 22 days	90% of holiday cost or deposit if greater
21 days or less	100% of holiday cost

Flight only bookings are 100% non-refundable.

Please note that if you were advised on any variations to your balance due date at the time of booking, then cancellation terms will also be varied to reflect this and you will be advised of this when you book. For example, holidays which include a cruise, and certain tour itineraries, will generally have an earlier balance due date and amended cancellation charges.

Bookings over TT Festival Fortnight, Manx Grand Prix or Cowes Week will be subject to 100% charges regardless of the date of cancellation.

**Note:** If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

You can cancel your booking without paying cancellation charges if the performance of your package, or the carriage of passengers to your destination, is significantly affected by unavoidable and extraordinary circumstances. In such circumstances, we will arrange for your booking to be terminated and for you to receive a full refund. We will observe advice provided by the UK Foreign & Commonwealth Office.

### 5. If you change your booking

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25, and any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible.

A 'change' is deemed to be a correction or an enhancement to the existing holiday. If you request major alterations to your holiday (this includes, for example, changing dates of travel, substituting destinations or any other changes which significantly alter the original holiday) this will be termed a cancellation and charges, as per clause 4, will apply.

**Note:** Certain travel arrangements may not be changeable after a reservation has been made and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements.

You can transfer your booking to another person, who satisfies all the conditions that apply to this booking, by giving us notice in writing as soon as possible – this would normally need to be at least 21 days before departure. Both you and the new traveller are responsible for paying all costs we incur in making the transfer. We would advise you that airlines do not generally permit names to be changed on bookings and it may, therefore, not be possible to transfer your booking. In this case, your booking will be treated as a cancellation and you will be liable to pay the cancellation charges detailed in clause 4.

If you alter any arrangements during your holiday (for example, checking-out of the hotel early or returning a hire car early) no refund for unused accommodation or services will be made. Where flights are not used, this is likely to result in all other flights on your itinerary being automatically cancelled by the airlines and we will not be liable for any losses or expenses you incur as a result of this.

### 6. If we cancel your booking

We reserve the right to cancel your booking. We will not cancel less than 10 weeks before your departure date (or after your balance is due if this is more than 10 weeks before your departure), except for unavoidable and extraordinary circumstances, or failure by you to pay the final balance, or because the minimum number required for the package to go ahead hasn't been reached. The minimum number required, if applicable, will be provided to you with the holiday description, along with the time limit for us to tell you if the package has to be cancelled.

Unavoidable and extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. These can include, for example, war, riot, industrial dispute, terrorist activity and its consequences, natural or nuclear disaster, fire, adverse weather conditions, epidemics and pandemics, unavoidable technical problems with transport.

If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

In the event a refund is paid to you, we will:

- 1) provide a full refund of your travel insurance premiums if you paid them to us and can show that you are unable to transfer or reuse your policy.

2) pay compensation as detailed below except where the cancellation is due to unavoidable and extraordinary circumstances (see definition above).

Period before departure in which we notify you	Amount you will receive from us
71 days or more	nil
70 – 43 days	£10
42 – 29 days	£20
28 – 22 days	£30
21 days or less	£40

### 7. If we change your booking

#### (a) Changes to the price

We can change your holiday price after you've booked, only in certain circumstances:

Changes in the price of the carriage of passengers resulting from changes to the cost of fuel or other power sources, the level of taxes or fees imposed by third parties including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports or exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 20 days of your departure.

We will absorb, and you will not be charged for, any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges. You will be charged for the amount over and above that. If this results in an increase equivalent to more than 8% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling and receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel:

1) you must do so within the time period shown on your final invoice

2) We will provide a refund of insurance premiums paid to us if you can show that you are unable to transfer or reuse your policy.

Should the price of your holiday go down due to the cost changes mentioned above, then any refund due will be paid to you. We will deduct from this refund our administrative expenses incurred. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

For Advance Registrations (which will be clearly detailed on the confirmation) where we cannot confirm all components of the booking at the time of issue, we will endeavour to do so as soon as possible. Should we be unable to confirm any components you may opt to accept revised alternatives with any applicable price adjustments or cancel your holiday and receive an immediate refund of any monies paid.

#### (b) Changes other than the price

It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers.

If we are constrained by circumstances beyond our control to alter significantly any of the main characteristics of the travel services that make up your package you will have the rights set out below.

- We will contact you and you will have the choice of accepting the change or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one (we will refund any price difference if the alternative is of a lower value). We will tell you the procedure for making your choice. Please read any notification of changes carefully and respond promptly as if you do not respond to us within the timescale given your booking may be cancelled.

## BOOKING AGREEMENT

- If you choose to accept a refund:
  - 1) we will provide a full refund of your travel insurance premiums if you paid them to us and can show that you are unable to transfer or reuse your policy.
  - 2) we will pay compensation as detailed below except where the significant change is due to unavoidable and extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure in which we notify you	Amount you will receive from us
71 days or more	nil
70 – 43 days	£10
42 – 29 days	£20
28 – 22 days	£30
21 days or less	£40

### 8. Our liability to you

You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. If any of the travel services included in your package are not performed in accordance with the contract, or are improperly performed, by us or the travel service suppliers, and this has affected the enjoyment of your travel arrangements, you may be entitled to an appropriate price reduction or compensation or both. We will not be liable where any failure to perform or improper performance of the travel services is due to: you or another member of your party; or a third party unconnected with the provision of the travel services in the package and is unforeseeable or unavoidable; or unavoidable and extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of three times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to

- a) The contractual terms of the companies that provide the travel services that make up your package. These terms are incorporated into this booking; and
- b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, which limit the amount of and conditions under which compensation can be claimed for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions.

You can ask for copies of the travel service contractual terms, or the international conventions, from us at Premier Holidays Ltd, Building 1020, Cambourne Business Park, Cambourne, Cambridgeshire CB23 6DW. Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be publicised at EU airports and available from airlines. However, reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted.

If it is possible to ensure your return as scheduled due to unavoidable and extraordinary circumstances, we will bear the cost of necessary accommodation, if possible of equivalent category, for a maximum of three nights. The limit doesn't apply to persons with reduced mobility and any person accompanying them, pregnant women and unaccompanied minors, or persons in need of specific medical assistance, provided that you notified us of these needs at least 48 hours before the start of your holiday.

**N.B.** This entire clause 8 does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

### 9. Protecting your money

We provide full financial protection for our package holidays.

- 1) For flight-based holidays this is through our Air Travel Organiser's Licence number 2713 issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 103 6350, email [claims@caa.co.uk](mailto:claims@caa.co.uk).

When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

- 2) When you buy a package holiday that doesn't include a flight, protection is provided by way of a bond held by ABTA – The Travel Association 30 Park Street London SE1 9EQ. For further information please see [www.abta.com](http://www.abta.com). You agree to accept that in the event of our insolvency, where your holiday is protected under the bond we hold with ABTA, they may arrange for the services you have bought to continue, or for a suitable alternative to be provided at the same cost as your original booking. You also agree to accept that in circumstances where the travel service supplier provides the services you have bought, you agree to pay any outstanding sum under your contract with us to that alternative travel service provider. However, you also agree that in some cases the services will not be provided, in which case you will be entitled to make a claim under ABTA's Scheme of Protection (or your payment card issuer where applicable) for a refund of the monies you have paid.

If you are a resident of the Channel Islands and Isle of Man, then no ATOL financial protection is included.

### 10. ABTA

We are a Member of ABTA, membership number V0762. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to [www.abta.com](http://www.abta.com) to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on [www.abta.com](http://www.abta.com). You can also access the European Commission Online Dispute (ODR) Resolution platform at <http://ec.europa.eu/consumers/odr/>.

This ODR platform is a means of notifying us of your complaint; it will not determine how your complaint should be resolved.

### 11. Complaints

If you have a complaint about any of the services included in your holiday, you must inform our resort representative our Head Office Customer Services team by calling: 01223 516333 or emailing: [customerservices@premierholidays.co.uk](mailto:customerservices@premierholidays.co.uk) without undue delay who will endeavour to put things right.

If it is not resolved locally, please follow this up as soon as possible after your return home, ideally within 28 days by writing to our Customer Services Department at Premier Holidays Ltd, Building 1020, Cambourne Business Park, Cambourne, Cambridgeshire CB23 6DW giving your booking reference and all other relevant information. Please keep your letter concise and to the point. If you fail to follow the requirement to report your complaint in resort we will have been deprived of the opportunity to investigate and rectify it and this may affect your rights under this booking. Please also see clause 10 above on ABTA.

### 12. Additional assistance

If you're in difficulty whilst on holiday and ask us to help we will provide appropriate assistance, in particular by providing information on health services, local authorities and consular assistance; and helping you to find alternative arrangements and any necessary phone calls/emails. You must pay any costs we incur, if the difficulty is your fault.

### 13. Travel Identification

It is your responsibility to ensure that you carry the required ID for your travel arrangements. Although British citizens do not require passports to travel to any destination in the UK, the Channel Islands or the Isle of Man all airlines require that you produce valid photo identification at check in and they will refuse boarding if you do not do so. Documentation requirements do vary from one airline to another, but the most commonly accepted forms are a valid passport, photo driving licence or citizen card. If you are travelling by ferry to the Channel Islands, you will also be required to present photo identification at check-in.

We do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements and we will not be liable for any costs incurred or for any changes to arrangements or loss for cancellation.

### 14. Excursions

Excursions or other tours that you may choose to book or pay for whilst you are on holiday are not part of your package holiday provided by us. For any excursion or other tour that you book, your contract will be with the operator of the excursion or tour and not with us. We are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision by the operator.

### 15. Travel Agents

When you buy a flight-based holiday, all monies you pay to the travel agent are held by him on behalf and for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by him, is and continues to be held on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. When you buy a holiday not including a flight, all monies you pay to the travel agent are held by him on our behalf at all times.

### 16. Law and jurisdiction

This booking is governed by English Law, and the jurisdiction of the English Courts. You may however choose the law and jurisdiction of Scotland or Northern Ireland if you live there and wish to do so.

## IMPORTANT INFORMATION

### Accommodation descriptions

Hotels use a variety of descriptions for rooms to indicate varying views as well as better facilities. For example, a standard room type, but with sea view, may be described as 'superior' or 'deluxe', although the décor and size of the room itself will be the same. In some cases, a 'superior' or 'deluxe' room may be the standard room type available in the hotel, so you should not automatically assume that this indicates a room of a higher standard. Some beach resort rooms are described as seafacing. However, these rooms may not necessarily have a view of the sea, as it may be affected by plants and trees which grow quickly in tropical climates.

Rooms are often described as being 'twin' or 'double'. This simply means that the room is suitable for an occupancy of two and does not guarantee a particular bed configuration. We are happy to forward special requests to the hotel, although these cannot generally be guaranteed.

"Family rooms" may be slightly larger than standard twin rooms with extra beds (as required) which may be bunks or folding beds. In general, family rooms are one room only and although good sized rooms, may not have an overly generous amount of space.

Where single rooms are booked, these may be specifically designed for single occupancy and therefore, less spacious than twins or doubles. Location and views are not always the best in the hotel.

Most rooms have private facilities. This means a bath OR shower. If you have a specific preference for a bath or shower, you should let us know and requests will be passed to the hotel, although we cannot guarantee that these will be fulfilled. Washbasins may sometimes be in the bedroom rather than the bathroom.

It is common practice for hotels to take a credit card imprint on check-in as a guarantee for incidental expenses. If you do not possess a credit card, a cash deposit may be required, which will be refunded at check-out less any incidental charges.

### Accuracy

Every care has been taken to ensure that all information we provide is accurate. However, due to circumstances beyond our control some details may change. It is possible that an advertised facility may be withdrawn or temporarily unavailable according to season or due to weather conditions, lack of demand, a private function, for maintenance, renovation etc. We will advise you of any significant changes to facilities at the time of booking or as soon as practical if information is received after your booking has been confirmed and if time permits. Similarly, some attractions advertised may not be open year round or on every day of the week. Please ask at the time of booking if this is important to you. Weather information, mileage and maps are guidelines only.

### Assistance requirements

We are delighted to offer advice for travellers with special needs or disabilities. Not all hotels have adapted rooms, lifts do not always serve all floors and/or may not be able to accommodate all types of wheelchair and some airports and types of aircraft may not be able to accommodate certain requirements. In order for us to ensure that we can meet your needs, and that we comply with airline regulations, it is essential that you complete an assistance requirements form, which can be found on our website at:

[http://www.premierholidays.co.uk/assistance\\_requirements/form](http://www.premierholidays.co.uk/assistance_requirements/form). The detailed information you provide will enable us to ensure that all the suppliers of services for your holiday are aware of your requirements and we can, if necessary, make adjustments to your itinerary at the outset to accommodate them. If the form is not sent to you, please ensure that you ask for it.

### Building and development work

Some locations may unavoidably have work underway to public areas and facilities. Whilst we will endeavour to advise you of any building or refurbishment work underway at any properties you have booked, which may adversely affect your stay, we cannot anticipate where work will take place outside of the hotel grounds. All the hotels featured strive to maintain high standards and, as such, there may be the necessity for some ad-hoc and unforeseeable maintenance work.

### Child reductions

Reductions are available for children (aged 2 – 11 years) if they share a room with two full paying adults. Some hotels provide a folding bed or there may be a sofa bed in the room. On occasion, a child may be accommodated free of charge, but may have to share existing bedding, which may involve sharing a double bed with adults - if a folding bed is required for a child, this should be requested at the time of booking and a charge will be made locally for this.

Sometimes child offers are provided on an accommodation only basis. The hotel will then charge for all meals taken and in some cases, children will be charged on the same board basis as adults whether meals are taken or not. For this type of offer, payment for meals will be collected locally.

All children under 2 years of age are classed as infants. No seat is allocated on flights. It is customary for some hotels to make a nominal charge for food taken and some may also make a charge for the provision of a cot. This is payable before departing the hotel. Should a bed be required, please ensure that you request this at the time of booking, as an additional charge may be applicable.

### Data protection policy

In order to process your booking and to ensure that your travel arrangements run smoothly and meet your requirements we, and your travel agent, need to use the information you provide such as name, address and any special needs/dietary requirements etc. We take full responsibility for ensuring that proper security measures are in place to protect your information. We must pass the information on to the relevant suppliers of your travel arrangements such as airlines, hotels, transport companies etc.

The information may also be provided to security or credit checking companies, public authorities such as customs/immigration if required by them, or as required by law. Additionally, where your holiday is outside the European Economic Area (EEA), controls on data protection in your destination may not be as strong as the legal requirements in this country. We will not, however, pass any information onto any person not responsible for part of your travel arrangements. This applies to any sensitive information that you give to us such as details of any disabilities, or dietary/religious requirements. This transfer is necessary for us to be able to fulfil your requirements. Please note that where information is also held by your travel agent, this is subject to your agent's own data protection policy. Your data controller is Premier Holidays. You are entitled to a copy of your information held by us. If you would like to see this please contact us in writing, signed and dated.

### Early or late arrivals

Rooms are normally available on your arrival day from 1500 hours onwards and you will be required to vacate your room by mid morning on your departure day.

### Health

Healthcare services are available in the Channel Islands and Isle of Man. There is a reciprocal health agreement in place for emergency treatment in Jersey and the Isle of Man, but you will still have to pay for doctors' visits and medication. There is currently no reciprocal health agreement with Guernsey, so you will have to pay for any treatment you receive. The Isle of Wight, Isles of Scilly and Scottish Highlands are part of the UK and consequently, NHS services are available. Regardless of your destination, we strongly recommend that you travel with full medical insurance, as it may be necessary to make alternative return travel arrangements or provide for travelling companions to extend their stay, which would only be covered if a suitable insurance policy has been purchased. If you are pregnant, please inform us at the time of booking. Both airlines and ferry companies place restrictions on travel in the last trimester of pregnancy. These do vary from one company to another, so check with us and we will give you current advice.

### Honeymoon and anniversary offers

If you are celebrating your honeymoon, silver, pearl, ruby, gold or diamond wedding anniversary (offers not valid for other anniversaries) and wish to take up any offer, you must advise us at the time of booking. You will be required to present your marriage certificate to claim any offers.

### Insurance

It is advisable to take out an insurance policy at the time of booking as you are at risk as soon as your deposit is paid to us. If you fail to make appropriate insurance arrangements in a timely manner, we will not be liable for any losses or expenses which you may incur for claims which might normally have been covered by insurance in respect of circumstances for which we are not responsible.

Where you take our insurance, the premium must be paid at the time of booking. If, once you have considered the cover in detail, you decide that it does not meet your needs, you may have a full refund of the premium if you return the documents within 14 days, unless you have travelled, made a claim or intend to make a claim. After 14 days, the insurance premium is not refundable under any circumstances.

### Local assistance

Representation visits are made to most hotels in Guernsey and most St Helier hotels in Jersey during the summer months. No visits are made to self-catering accommodation. We have an office in the Channel Islands and our staff there can be contacted by telephone for advice or assistance. They can also arrange a representative visit on request should you require it. There are no representation services in any other destination featured in this brochure. Should you need to contact us in an emergency whilst on holiday, an out of hours number will be detailed in your travel documentation.

### Meals

The meals included in your holiday are indicated on each hotel description. Half board includes breakfast and dinner. Where half board is booked, the first meal included in your holiday will normally be dinner on your arrival day, and the last breakfast on your departure day. Most hotels also have set meal times. If your arrival or departure does not coincide with normal meal times, you may find that some hotels will only provide a light/cold snack or continental breakfast. In case of early morning arrivals and late departures, it is possible to obtain extra meals and these must be paid for locally before your departure. Please note that whilst hotels will do their best to cater for special dietary requests, menu choices may be limited.

### Premier Plus, Bonus Buys and Early Booking Offers

All offers are available for holidays started and completed within the period stated and all nights must be consecutive. They may also be subject to availability and for bookings made by a certain date or may be withdrawn at any time without prior notice. Offers for items such as champagne are per booking, not per person. Where more than one offer is advertised, these may not be combinable and you may have to choose which you prefer. This will be explained to you at the time of booking.

### Special requests

If you have any special requests relating to your holiday, you should advise us when you make your booking. Although we are happy to pass on any requests to our suppliers, we cannot guarantee that they will be fulfilled and any additional costs involved will be passed on to you. Special requests do not form part of your contract with us.

### Tours

Some tours may only operate if a minimum number of people book. Where this is the case, we will notify you at the time of booking that the tour is subject to a minimum number of people and should the tour be cancelled, you will have the choice of accepting an alternative (subject to availability) or, if the tour is a significant part of your holiday, you will be offered the option to cancel your holiday and receive a full refund of all monies paid. Day excursions and some short side trip tours may similarly be dependent on minimum numbers. Wherever possible, we will contact you prior to departure (or alternatively you will be contacted by our local agent) to advise you of this and you will have the choice of accepting an alternative tour or an alternative date, where available, or receiving a full refund of monies paid for that tour.

### Travel arrangements

When you book your holiday we will give you the best information we have then about your travel dates, time, routing, carrier and aircraft type. However, carriers can and do change dates, times and routing at very short notice and we cannot control these changes. When such changes are made, we will do our best to help you make arrangements to minimise inconvenience to you.

If we are notified, in advance, by the airline of schedule changes affecting your itinerary, we will notify you (if there is time to do so before departure). If the timing change is one hour or less, this will be advised to you on your travel documentation when issued.

We cannot accept responsibility if you miss your departure because you check in late. Whilst we cannot guarantee specific seat allocation, some airlines do accept requests which we will be pleased to pass on. All flights are non-smoking services.

It is our policy that once you have checked in you are the responsibility of the carrier. Transport may be delayed or cancelled due to bad weather, technical problems or unavoidable and extraordinary circumstances. Except where this leads to a major change to contracted services, we will not be liable for any loss or expense incurred in such cases, nor obliged to refund any payment for unused accommodation or services at your destination. Where we have a representative present, we will always try to help you to make appropriate arrangements for meals and/or accommodation if your transport is delayed. However, if you have purchased holiday insurance, you may find that it will pay certain benefits in the event of delays.

### Transfers

Hotel transfers will be shown on your confirmation, if you have booked them. Whilst we do not include them automatically on all holidays, these can be added at a supplement on request, in most locations. Shared transfers may involve stops at other properties en route to your own accommodation and may also be combined with arrivals and departures from other flights, which may involve a short wait.

### Vehicles on ferry

If you have opted to take your own vehicle on the ferry, you should note that prices quoted apply only to "standard" sized passenger vehicles being used for non-commercial purposes. This is generally considered to be a vehicle which does not exceed 5 metres in length and 1.85 metres in height. Trailers and rear racks will attract a supplementary charge. It is your responsibility to check that the vehicle space we have booked for you can accommodate your vehicle. Remember that if your car has a top box or rear cycle rack, the space booked will need to accommodate these too. If you arrive at the port and your vehicle is too large for the space booked, you will not be able to travel and no refunds will be made. If your vehicle is a panel sided vehicle or is any other type of vehicle designed for the carriage of goods or if you are carrying personal belongings which require documentation and presentation to customs and excise, this is deemed to be freight. You must advise us at time of booking, so that the relevant price can be charged. If you fail to do this, you may be required to pay any necessary supplements at the port prior to travel.

**When we sell a package holiday to you, we are obliged to comply with The Package Travel and Linked Travel Arrangements Regulations 2018. These obligations are incorporated into our booking agreement, but you can find more information on our website at:**
